

LACHANCE VINEYARDS & WINERY

THE OLD HOUSE STEAKHOUSE

OUR STORY

LaChance Vineyards, established in 2010 by the Hamby family, has quickly gained traction as one of Missouri's top wineries in the Region. Our wines have been featured at The Oscars and The Academy of Country Music Awards, along with being named #1 winery in the St. Louis Region by Feast Magazine in 2019 and 2022, and by St. Louis Magazine in 2023.

LaChance specializes in producing unique, European influenced wines from rare grape varietals grown at the foothills of the Ozark Mountains in DeSoto, MO. Take a visit to our vineyards and winery, where you can sit back and absorb the park like setting, live music, award winning wines and hand-crafted cuisines. Located at 12237 Peter Moore Lane, DeSoto, Missouri 63020. Our Desoto location was founded on family property acquired by the Hamby family in 1977.

LaChance is excited to join Historic Downtown Kimmswick, by introducing LaChance Winery of Kimmswick. We have also reintroduced The Old House Steakhouse, situated inside a historic 1700's era log cabin, where the 18th president of the United States, Ulysses S. Grant was known to frequently visit. Our building was originally constructed in 1770, with the second story and west wing being added on in 1831. The building was moved to its current location in the 1978. The Old House Steakhouse specializes in Farm to table Americana cuisine.

Join us for lunch, dinner, or for a great day out with some of your favorite wines, and friends!

We hope you enjoy.
